

# How to add the COVID19 promo code to your AppSheet account

1. Navigate to <https://www.appsheet.com/>
2. Create a new AppSheet account or login to an existing one.

3. Navigate to My account > Billing

4. Update your settings as follows:  
**Plan Class:** Secure (pay per user)

**Subscription Plan:** Pro

**Number of User Licenses:** (If the number of user licenses exceeds 200, please email [appsheet-cv19@google.com](mailto:appsheet-cv19@google.com) with your account ID and the number of users your app requires. After we change the limit for your account, you will receive an email that we increased the number of users for your account and can proceed with your deployment.)

**Billing Period:** Annual

**Promo Code:** COVID19 (case sensitive)

The screenshot shows the AppSheet Billing configuration interface. The 'Billing' tab is active, displaying the following configuration options:

- Plan Class: Secure (pay per user)
- Subscription Plan: Pro
- Number of user licenses: 1
- Billing Period: Annual (10% discount for Annual billing)
- Promo Code: COVID19 (Apply)

Below the configuration options, a summary box states: "AppSheet will charge your credit card USD \$0 per year". There are "Cancel" and "Accept" buttons at the bottom of the form. A "Terms of service" link is also visible.

Red annotations on the right side of the form provide instructions:

- Select "Secure (pay per user)"
- Select "Pro"
- Type the number of user licenses you need
- Select "Annual"
- Type and apply "COVID19" promo code

## 5. Click Accept

Please keep in mind: This discount currently applies through September 30th, 2020. Regularly visit [AppSheet's COVID-19 response page](#), which we'll update with any changes to the program as this situation evolves.

Since the program's objective is to support your efforts in responding to the COVID-19 pandemic, please be sure to deploy apps with this purpose while using the promo code.
